## COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Church Street Improvements, Kettleman Lane to Vine Street

MEETING DATE: August 4, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Robert Burns Construction in the amount of \$204,620.55.

BACKGROUND INFORMATION: This project will install handicap ramps on all the curb returns between Kettleman Lane and Vine Street. An asphalt overlay will then be placed over the existing street.

Church Street will be closed during the paving portion of this project. The paving operation should be completed in one day.

An alternate bid was also received for lane line painting, but it was determined that the City could obtain a better price if this painting was included as part of the annual striping contract. Staff's recommendation is to award the contract for the base bid only and not include the alternate bid for the lane line painting.

This project was one of the approved Pavement Rehabilitation Projects in the 1992/93 Streets Capital Improvement Program.

Plans and specifications were prepared and the City received the following five bids for this project:

<u>Bidder</u>	<u>Location</u>	<u>Bid</u>
Engineer's Estimate		\$208,331.00
Robert Burns Construction	Stockton	\$204,620.55
George Reed, Inc.	Lodi	\$211,111.00
Granite Construction	Stockton	\$212,985.00
Teichert Construction	Stockton	\$219,270.00
A. M. Stephens Construction	Rio Vista	\$229,351.00
